

Food Science

Learn about careers in the industry

Watch [this video](https://grownextgen.org/career-videos/video/food-science/) (grownextgen.org/career-videos/video/food-science/) about a variety of careers in food science at T. Marzetti's in Columbus, OH. While you watch the video, answer the following questions:

1. What are the areas of the food science industry you can get involved with?
2. What does the "QA" Department do?
3. What does the Regulation Department do?
4. What percent increase will jobs in this area have between 2010–2020?
